

CHANGE IN FILE STATUS  
APPROVAL FORM

DATE March 17, 1988

CURRENT FILE NO. DOE/O45/O25

RECOMMENDED FILE NO. Closed

COMPANY AND MINE NAME Kiewit Western Company, Black Rock Quarry

REASON FOR CHANGE IN FILE STATUS

The Black Rock Quarry was used during the flood years of 1983-84 for dike material, to reinforce Western Pacific's Railroad causeway on the great Salt Lake. The site is now reclaimed.
